

**Lane County's  
parenting education  
and early learning hub**

**Connecting parents &  
caregivers to local community  
resources, parenting tools, and  
family-friendly activities.**

The Early Childhood Hub of Lane County is here to help you with the joys and challenges of raising a child during the early years, from birth to age 6.

We are your local hub for parenting & caregiving help, and your guide to the community's free or low-cost opportunities for play and learning.

**That's why the Early Childhood Hub offers:**

- Weekly parenting blog posts
- Information about parenting classes
- A local activity calendar
- Community resources, and more!

The Early Childhood Hub of Lane County is your local parenting education and early learning hub, an initiative of United Way of Lane County.

We previously served the community as LaneKids and the Lane Early Learning Alliance. The 2022 merger of our programs reflects the close connection between play and education, and kids and caregivers.
